

Greetings Friends and Neighbors,

As we step into the new year, we do so with a forward-thinking approach, focusing on what lies ahead for our community. In Broadview, our priorities remain steadfast: advancing economic development, strengthening public safety, championing environmental sustainability, and maintaining fiscal responsibility.

Our partnerships with the Broadview Park District, Broadview Public Library, and our local public schools continue to be integral to our progress. Together, we're fostering a vibrant and connected community, building on the successes of the past and looking toward an even brighter future.

This year promises to be amazing as we launch new initiatives aimed at deepening community engagement. These efforts are designed to empower residents and reflect our commitment to collaboration, innovation, and inclusivity.

Thank you for trusting me to lead these efforts. Your voice, participation, and feedback are the driving force behind Broadview's growth. Let's continue our open and transparent dialogue, working together to make 2025 a transformative year for the Village of Broadview.

Here's to a successful and prosperous year ahead!

Love and Kindness,
