

**"Life's most persistent
and urgent question is,
'What are you
doing for others?'"
Martin Luther King, Jr.**

Village of Broadview will be closed on Monday, January 20, 2025 in Observance of Dr. Martin Luther King, Jr. Day!

Greetings Friends and Neighbors,

I am thrilled to announce that the Village of Broadview has been selected as the only village in the State of Illinois to participate in the prestigious Climate Ready Budget Technical Assistance program. This initiative, spearheaded by the Center for Sustainable Infrastructure (CSI), includes a cohort of ten local governments across the United States, including South Portland, Maine; Asheville, North Carolina; Indianapolis, Indiana; Harrisonburg, Virginia; Alexandria, Virginia; San Luis Obispo, California; Montgomery County, Maryland; Issaquah, Washington; and Houston, Texas.

This Technical Assistance (TA) program presents a unique opportunity for participating communities to deepen their understanding of decarbonization and climate resilience factors that are critical for guiding local capital investments. By focusing on reducing fossil fuel pollution and advancing climate-ready infrastructure solutions, Broadview will be at the forefront of adopting practical, affordable, and resilient infrastructure strategies that safeguard our community's future.

As we step into this significant role, let us remember the values taught by Dr. Martin Luther King, Jr., whose legacy inspires us to work towards a just and equitable society. In honor of his contributions, the Village offices will be closed on Monday to observe Martin Luther King, Jr. Day. This closure reminds us to reflect on Dr. King's teachings and our commitment to building a community that upholds his dream of equality, justice, and unity.

Love and Kindness,

Mayor Katrina Thompson
